

## PRESS RELEASE

Paris, 3 January 2023

### | LWA reinforces its Corporate / M&A / Private Equity practice and its activities in the Maghreb and in Africa with the arrival of a new Partner : Godefroy Le Mintier |

In his capacity as Lawyer for more than 20 years, Godefroy Le Mintier focuses specifically in the field of mergers & acquisition, privatisations, calls for tenders, international joint ventures and large projects alongside leading French, Maghreb, African and international players, the shareholders of family-owned groups, investment funds, financial institutions and public institutions in France, Africa and in the Middle East.

He is particularly involved in the financial institutions, infrastructures, agri-food, automotive and luxury sectors.

His experience covers all Corporate aspects, in particular equity transactions, acquisitions, joint-ventures, privatisations, company restructurings and business agreements. **Godefroy has also developed specific expertise in the area of large projects and public-private partnerships in the Maghreb and in Africa.** Before joining Latournerie Wolfrom Avocats, Godefroy practiced at Norton Rose Fulbright, where he began his career in 1999 and contributed to the creation of its Casablanca office in 2011.

*"I am delighted to join the LWA law firm and as a result reinforce the skills and expand the geographic scope of intervention of its Corporate practice"* Godefroy Le Mintier

After graduating at Ecole des Hautes Etudes Commerciales (HEC) (*Programme Grande Ecole, Majeure stratégie juridique et fiscale*) and becoming the incumbent of a post-graduate degree (*maîtrise*) in Business Law (*Faculté Jean Monnet - Paris-Saclay University*), Godefroy has also obtained his registration on the list of mediators of the Paris Court of Appeal.

The Partners of LWA Corporate, M&A, Private Equity / Maghreb & Africa : Godefroy Le Mintier, Hervé Castelnau, Christian Wolfrom, Thibault Kazémi, Pierre Lafarge

**About Latournerie Wolfrom Avocats - [www.latournerie-wolfrom.com](http://www.latournerie-wolfrom.com)**

Latournerie Wolfrom Avocats (LWA) is a multidisciplinary business law firm created in 1995. Recognised for its technical expertise, its rigour and its desire to innovate, LWA was initially formed around the triptych: M&A, public business law and new technologies. It has since added a wider range of skills to cover all the most important areas of business law: real estate law, private equity, tax law, employment law, environmental law, competition law and litigation. .... With a view to meeting the needs of companies in the public and private sectors, whether start-ups or large listed groups, LWA assists its clients in their strategic development in France and abroad: in the design, negotiation and implementation phases of strategies and fundamental projects, as well as during litigation and arbitration.
